NOTICE

Separate Permits are required for Building, Mechanical, Electrical and Plumbing. Permits expire after 1 year. While the Dept of Building Safety makes every attempt to be informative and helpful, as an enforcement agency we cannot design projects or serve as a construction education facility. Persons doing the work are responsible for providing adequate information and meeting the minimum construction code requirements. The issuance of a permit shall not be construed to permit or approve of a violation of any code of the City of Eldridge. Permits or approvals presuming to give authority to violate or cancel the provisions of any construction code or other ordinance of the city of Eldridge shall not be valid.

I hereby certify that I have read and examined this application and know the same to be true and correct. All provisions of laws, codes and ordinances governing this work shall be complied with. I understand it is the responsibility of the permit holder to provide notification and access for any and all inspections.
