MEMORANDIUM

To: Mayor and City Council
From: Jeff Martens, Assistant City Administrator
Re: Nonprofit Signage
Date: 3/3/25

Mayor and City Council,

The City Code does not currently have any provisions that address nonprofit signs. I have had two requests concerning nonprofit signs which I have so far denied because of this issue.

We currently do have nonprofit signs that exist within city limits as seen in the photos below. Under the current code these signs are illegal.

I would like some guidance on how the City Council would like to see nonprofit signs handled in the future. If needed the sign ordinance can be amended to reflect your wishes.
