RE: Wiese Park Tree
Date: 10/7/24

Park Board

Tabbitha Kramer from the Eldridge North Scott Chamber reached out to me about putting an evergreen tree at Wiese Park. Previously, there was an evergreen tree in the SE corner of the park that was decorated by the Chamber each winter, but it had become overgrown and was removed a few years ago.

The North Scott Optimist Club is wanting to donate and plant the tree. My Public Works crew looked at the park and think it would fit well in the open space on the south side of the park and path. That is about the only space that will avoid the existing irrigation, and keep the park mainly open green space as desired.
